Description			
<i>Provide a short description of the event and its activities.</i>			
The event was implemented as a series of activities carried out over three days. Activities can be classified into four groups:			
1) Activities aimed at presenting the European Union and its benefits			

2) Activities supporting intercultural dialogue

3) Activities related to the COVID-19 pandemic

4) Activities supporting overcoming prejudices, gender equality and non-discrimination

The project activities themselves were as follows:

Welcoming the partners and opening the event - the project, its goals, planned results and outputs, the CERV program and the financial support of the project from the EU were presented

Photo exhibition about life during the COVID-19 pandemic - drew attention to the topic of the COVID-19 pandemic and its consequences

About Europe - workshop for children - the youngest participants received basic information about the EU and began to prepare for their role as a European citizens

Reflection on the COVID-19 pandemic – discussion of measures implemented in individual countries, exchange of best-practices in managing the pandemic

Debate on Europe - education of participants and presentation of concrete achievements of the EU achieved in the 65 years of its existence, discussion of the future of the EU, increasing European awareness among participants

Roma minority and its culture - workshop and presentation of the culture of the Roma national minority, enriching the palette of cultural wealth of the partnership with other cultural elements, erasing prejudices against Roma.

The competition in cooking traditional national dishes and the Fair of traditions - served to overcome national barriers, support communication and mutual presentation of the specifics of different nations

How to become an active citizen - presentation of volunteer organizations from partner cities, debate on active involvement of citizens, sowing the idea of the need for active participation in your community

National minorities in Europe - seminar on the life of national minorities in European countries

Young people and the EU - young people's discussion about education and culture in the EU, breaking down the Euroscepticism of young people towards the EU

Culture of nations and music concerts - presentation of the cultural diversity of the partnership and the EU, overcoming national and intercultural barriers, getting to know each other, support of common dialogue

Solidarity and integration - debate by members of minorities who have broken out of a marginalized environment, positive examples especially for younger members of national minorities, breaking down prejudices against minorities

Success thanks to the EU - presentation of successfully implemented projects supported by ESIF, spreading the good name of the EU, examples of good practice

Culture of national minorities - presentation of the cultural diversity of national minorities and overcoming national barriers

Research on Europe - discussion with representatives of partner cities, survey of opinion on the EU, partnership, implemented project
